

*"A healthy person has many wishes, but the sick person has only one." – Indian Proverb*

## **CURE Foundation**

**World population is increasing by more than 100 million per year. To meet the needs of our aging and growing population, CURE Foundation is committed to making quality healthcare affordable and accessible globally.**

CURE Foundation's mission is to keep the healthy person healthy. Should a person become sick, the goal is early detection, effective treatment and total cure — TOTAL HEALTH™.

*"Everyone deserves the best healthcare. Education is the most effective way to eliminate poverty and promote global understanding and peace."*  
– Krishnan Suthanthiran

**CURE Foundation is pleased to accept donations of diagnostic/therapeutic equipment and instruments or purchase them at a fair price.**
